ELIGIBILITY REQUIREMENTS AND TERMS:

- This offer is only valid for customers who order a new DSL or T-1 Internet access line from DSL.net between January 1, 2006, and August 31, 2006 (requires execution of an authorized DSL.net Service Agreement by the end-user). This rebate offer does not apply to resellers, partner program participants or customized arrangements. Limit of one router rebate per each new DSL or T-1 line installed. This offer may not be used in conjunction with any other DSL.net equipment offer and applies only to the purchase of new DSL or T-1 service with a DSL or T-1 router from DSL.net.
- Router rebate will be issued as a check from DSL.net, not an account credit. Router rebate amount will be \$199 for Netopia R7100, Netopia 4652 and Efficient EFI 5871 routers, \$299 for Netopia R7120 routers, and \$399 for Netopia 4622-XL routers. NOTE: Netopia 4622-XL routers require a two-year service agreement.
- In order to be eligible to receive the rebate check from DSL.net, the following conditions must have been fully satisfied: (i) customer shall have mailed the completed ROUTER REBATE FORM to DSL.net no later than 60 days from the date of customer's first bill; (ii) all sections of the ROUTER REBATE FORM shall have been completed; (iii) installation shall have been completed; (iv) all initial one-time charges, including original router fee and any other installation fees, along with the first month's service charges, must have been paid in full; and (v) all other terms of this router rebate offer must be fully satisfied (in DSL.net's determination).
- Router rebate requests must be mailed to DSL.net and **MUST BE POSTMARKED** by no later than 60 days from the date of the customer's first bill.
- DSL.net's rebate check will be sent only to the business named on the Service Agreement, within ten (10) weeks after receipt of a valid rebate request, subject to satisfaction of all terms of this rebate offer.
